

Child Side Update Term 4 Oct

Exhibitions of Learning and Book

Launch: Last term's exhibition for Lisa's group will be held THIS Friday morning from 9:30-10:30am, followed by the long awaited book launch of the children's published books. Lisa's group will share their learning which promises to be 'out of this world!' (for those not in the know, their Big Ideas last term focused on the science strand of "Earth and Beyond".) **All invited.** All the children will be at the book launch which will be followed by a shared lunch (prepared by Lisa's group bringing home made goodies from home as part of their exhibition process to meet and greet their audience) and the early years children who will bake a up a treat or two to share at lunch). All welcome to bring along a plate of finger food to the book launch.

The Early Years Cluster will also use the Book Launch to launch their Book Party week 'blasting into books' during week 2 onwards.

Summer Reminder:

Please note hats (broad-brim and labelled), water bottles, shoes for fitness are essential DAILY work tools for everyone at school!

Mountain Bike programme for Years 3+ running this term from THIS week. Focus is on skills, endurance, and confidence. AJ and Bryce have attended a 4 day skills workshop at the Pemberton Camp School and are ready for action. For anyone looking at upgrading their bikes or moving onto clip in pedals, AJ is available to help guide you. There is a world of difference in efficiency, skill, endurance between having clip in pedals and regular pedals. The bottom line is... if Leonie can use them, well then ANYONE can. We hope to offer an off road, off site session sometime this term as well.

Little Day Out: is looming closer and is this term's BIG event as a school community. Selling raffle tickets and promoting the day (check family message boxes) are a great way each and every one of us can help.

Thank You!

As part of the original founding member group, Karron and Leonie are so inspired and grateful to have events such as the Bull and Barrel, run themselves!!! We are also enormously grateful for the everyday contributions made by so many families and how so many parents are noticing things that need to be done (in particular maintenance) and getting them done! AJ and Vaughan are extremely grateful!

Important Dates

Please check website and whiteboard outside the middle building.

Fire, Food and Family Festival combined with Family

Enterprise Stalls: - This postponed event due to inclement weather from last term WILL be held Friday fortnight 24th October from 5pm-7:30ish. The oldest children will share their 'rite of passage' through a choreographed symbolic fire twirling sequence which is their exhibition of learning of the Arts curriculum. All families encouraged to make and sell food, busk etc before the performance. SAFETY will be paramount during the performance. Please gather your children and leave **directly** after the performance for safety reasons. Accidents and upsets occur with over stimulated children in the dark.

Learning Exhibition and Book

Launch: This Friday 17th October, 9:30... All invited.

November: Leonie taking some long service leave in Argentina with the family, while Jaiden competes in the World Championships over there.
