

Sunday 27th November
from 10:00am

Child Side School is an intentionally small and personal, not-for-profit independent school which offers children:

- ✓ small classes with a high adult to child ratio
- ✓ a low-stress environment free of commercial and popular pressures and
- ✓ provides daily rhythms that are suited to the developmental needs of children

We use the philosophies of Big Picture Education Australia and provide a school and playgroup that has been inspired by the principles and practices of Reggio Emilia and draw on some aspects of the Steiner.

Child Side is a member of the Association of Independent Schools of Western Australia and an active member of the Australia Schools Network.

If you like what you have read come along to our Open Day and walk through our school and see what sets us apart and how we provide personalised learning through authentic work for engaged children.
